# State of Play – PRM in the US

Fred Wulczyn

Center for State Child Welfare Data

Chapin Hall

University of Chicago

---

---

# Overview

---

- Allegheny County (Pennsylvania)
- Tennessee
- NYC
- Latent critique

---

# Allegheny County

---

- ▶ Two projects
  - ▶ Screen in / screen out
  - ▶ Hello Baby

---

# Tennessee

---

- Placement disruption
- Improving human decision making

---

# New York City

---

- ▶ Distinction between action vs. limited action
- ▶ What piece of information to collect next

---

# Latent Critique

---

- ▶ Provoked a thoughtful assessment of standards
- ▶ One vs many decisions
  - ▶ How to make humans better decision-makers
    - ▶ Feedback
- ▶ The myth of individualized decision-making
  - ▶ The best evidence suggests that decisions are relative judgments
  - ▶ Congregate care
- ▶ What is the quality of the science?
  - ▶ False negatives – a failure of the model or actions taken
- ▶ Evidence-use paradigm
